The Premises:

A well-appointed and comfortable apartment in a period block just off the main road out of Bath to the east. Discreet and with easy parking right outside.

The Lady:

Tia is absolutely stunning, one of the most beautiful ladies of pleasure I have ever met. She is a dusky maiden from the Mediterranean, with jet-black hair, flashing green eyes, an exquisite face, excellent skin and a perfect figure.

The Story:

Feeling the urge to be naughty yesterday, I searched through the ladies from Bath on the Net and lit upon Tia, whom I'd failed to spot before. A quick e-mail was dispatched to her and she replied almost immediately - always a good sign. I called her back and she agreed to a meeting at 3pm.

I arrived promptly, parked right outside and was paged into her building. It was a little dark, but I found my way to her downstairs flat and was ushered inside. Boy, what a sight! Tia is absolutely stunning! She was dressed enticingly in a short cream dress and high heels. The money sorted, Tia led me through to her boudoir and fetched me a glass of water whilst I disrobed and lay down on the bed.

Tia then suggested a back massage, which is always a good ice-breaker. She was pretty good at that, but after a while I was keen for more action and turned over to be greeted by the exquisite sight of Tia totally naked. She looked even better out of her clothes than in them! She kissed me gently on the lips, using her tongue expertly, and my old man immediately started to respond. Then she decided to give him some direct attention and moved down to envelope him in her warm and welcoming mouth. I started to play with her pussy, which was already quite wet, then enticed her into a 69 so I could join the feast. Her pussy was sweet and her little moans showed that she was enjoying herself. I inserted a finger in her rear passage, which she didn't resist, though she doesn't do anal.

After a while it was time for the main event, so Tia cloaked my cock with a wafer-thin durex, then mounted me. She thrust away with gusto, and after a while came loudly and enthusiastically. She said it was my turn to do some work, so we reversed roles and I mounted her missionary-style - my favourite. We banged away and I think Tia came again. Then I wanted to cum myself, so Tia

removed the johnny, applied some lotion and wanked me off to a great climax.

After that we chatted easily until it was time for me to depart for the delights of the shops in Bath.

Chaps, Tia is fabulous! In the old cliché, I'd like to keep her for myself, but that cannot be. Tia is the best I've seen in the west, and I'm now going to save up for a threesome with her little friend!
