### Details of Service Provider:

**Profile Name:** Annabellas MK

**Website:** <http://www.annabellasescorts.com/home.php>

**Phone:** 01908234646

**Phone:** 01908711821

### The Premises:

Very clean apartment. Easy parking.

### The Lady:

Jolie is a very lovely lady.

### The Story:

I was dissatisfied in the punt as her profile states Fk and RO. however neither we allowed. RO would have cost an additional 20. If i knew this prior to my appointment I would have not gone. I was also told that there was another girl there that said to her expect to have guys turn up and demand money. This made Jolie worried throughout as she thought I might be one of those guys. Im tall with a skin head. I suppose i look the type. far from it. So her mind was not with me. Very dissatisfied punt. And i would consider myself a good customer. I would be happy to speak with the owners if they wanted.

### Service Provider's Rebuttal

The establishment writes:

Firstly huge apologies for what sounds like a nightmare appointment. Sadly this is not the first complaint we have had of this young lady operating what sounds very much like a scam. As you can guess she will not be asked to return to the company.

We never charge for any extras except for Anal I hoped that this was clear on our sites and in all our Fr's if a girl ever asks you either walk out or tell her you will ring the maid and ask in front of her in the room. She is lying if she tells you any different.

As for the chaps turning up and asking for money I am hugely concerned about such a lie. Sally was maiding on Wednesday and Jolie was working with 4 other regular girls so this is a COMPLETE lie, no one will have said this to her as simply does not and would not ever happen. I

can only think this is some sort of scam to either make you nervous and get out of there quickly or make you feel sorry for her and hand over the money for extras. Either way it is totally disgusting and I am sorry it happened within the walls of our company.

All very strange but thankfully she only worked one day with Annabellas so hopefully not too much damage will have been done.
