The Premises:

Modern flat between Walton and Weybridge in a quiet residential road, quite safe.

The Lady:

Kelly's a BBW, 5' 7" brunette around early forties(?), large enhanced breasts but not obvious to the touch.

The Story:

Found her advert in a local paper. Took me into her bedroom and I started to undress and she soon had my knicks down and cock in her mouth.

Got me hard and we moved to the bed and I gave her really suckable tits some attention and then went down on her freshly shaven pussy.

This was as smooth as ... a freshly shaven pussy! She seemed to appreciate the attention. Tasted good! Got more oral without then on with the condom and banged away in mish, with DFK, until I came. She suggested I go into the bathroom to wash which was a neat way of ending the session. Pleasant chatty woman, good and professional service.
