The Story:

Toyed with visiting a parlour for a long time and found myself outside TJ's so took the plunge. Chose Claire because she just looked so gorgeous. In to the room and made to feel so relaxed. Started with a back massage with lots of touching and kissing and then I was asked to turn over. Now the teasing began!

Lots of stroking of the legs, just skimming the balls and she knew I was loving this. This was followed by one of the best hand jobs ever, Claire has a real trick which has to be experienced and then the BJ....Oh my God!! In the middle of all this I was asked to give her tight pussy a good licking with I duly obliged.

Back on my back for more BJ action and when you think you're about to explode Claire slips a condom over her finger and offers you a ?prostate massage while she wanks you?. Again this is an experience not to be missed. I knew I wasn't far off cumin and still wanted to sample that tight pussy, so on with the condom, legs behind her ears and off we went.....

Finished off with her wankin me over her lovely boobs and a shot all over them. Fantastic visit!!
