The Premises:

Well described previously - easy to find, easy to park.

The Lady:

Tall blonde and blue eyed - I couldn't quite get my hands round her waist, but close. Curves in all the right places!

The Story:

One of the best hours I have spent ever. Exactly what a visit should be to a well organised, spotlessly clean parlour. Ava knows how to have fun and how to make sure I did too. The VIP room gives lots of opportunities to move around, do different things and just enjoy!
