The Lady:

Long overdue FR, sorry Natasha. I can say that she's a very pleasant girl, very nice body, fantastic bum and perfect tits, not too big, not too small, just perfect. She's up for almost everything and quite a funny girl, that's what i was looking for.

The Story:

I already said that Natasha is a fun girl, her attitude is like a girlfriend but her sex is like a pornstar. As I arrived there and went straight to the bedroom, she was sweet and spicy at the same time. Started with a very good owo, her oral technique is second to none, worked well with her tongue paying enough attention to my balls and to the whole shaft, when i had enough of it, we moved to 69, which was simply great she kept pushing her kitty on my mouth as i pushed my cock up, simply amazing. When we had sex it was mostly in mish as i like it best, we moved for a bit in doggy and cowgirl, but mish was the best for me. She has been always very participative, so much that I forgot it was a service. She took me to the edge only after a little while she made me explode, magnificent. We went slightly over time but she was in no rush. Natasha has for sure a new regular.
