The Lady:

Both Ladies are in their early forties. They are very attractive, friendly and with fantastic bodies.

The Story:

I approached the door of the flat with some trepidation never having been in a menage a trois before. I was nervous in spite of seeing both ladies before separately. Both Sacha and Natalie met me at the door, both kissing me warmly. They looked amazing in their Secretary outfits, as requested by me. Short black skirts, tight white blouses restraining full breasts which were trying to break free. High heels with stocking tops completed the picture. I had an instant hard on! So there I was with two elegant, sexy women, one on each arm, both of whom were kissing me alternately. Luckily I had brought a bottle of Stella Bella with me and we toasted each other several times before the ritual undressing.

Much mirth occurred when Sacha discovered my erection and with the girls down to stockings and suspenders and with me completely naked, we fell on the bed together. Sacha began performing oral on me whilst Natalie very gently and with loving care lowered her lovely pussy onto my waiting mouth.

Both of these gorgeous girls have the sweetest taste you can imagine. Both swapped places with each other until I was duly anointed. I felt like a King!

Natalie put on the condom using only her mouth! I had never seen this done before. She then supervised the insertion into Sacha's waiting pussy and then resumed her initial position. Sacha rode me like a piston engine, all the more enjoyable since I could see both girls in the strategically placed mirror. Some time later they changed positions.

Then I had the brain wave! Positioning Sacha on her back with her delightful derriere on a pillow, she raised up her legs to expose her pussy. Then I put Natalie face down on top of her, belly to belly as it were. Raising Natalie's knees exposed both pussies in a vertical line, one above the other. A nine inch lick of pussies for my tongue to caress! After a suitable period of worship, I began to thrust in to both pussies in turn with joyous and carefree abandon, accompanied by moans of pleasure from the two girls.

The enormity of the situation then struck me and my balls began to rise. With a buttock clenching

moment of ecstasy, I ejaculated profusely.

To this day I cannot tell into which lovely girl it was. Later I found myself holding Natalie's lovely bottom for support. The whole erotic proceedings were spectacularly successful.

Natalie poured more wine and Sacha cleaned me up and we lay together enjoying the post coital trite. Sacha lay with her head on my shoulder and her long blonde hair falling across my chest.

Natalie sat cross legged at the foot of the bed with her, wet, pussy caressing my ankle and foot.

To my astonishment the view of Natalie rubbing my foot with her nether regions awoke the old stirrings again and my cock sprang to attention. With cries of glee Sacha sucked it and Natalie bit my nipples and it all started again. I was so proud of my achievement since this has not happened to me since my twenties!

At the end Natalie was kissing me passionately when I felt Sacha's skilful fingers remove the condom and urgently massage that of which I was so proud. I ejaculated again, all over Sacha's magnificent tits, which she then rubbed in with delight. All three of us went into the shower together.

I cannot recommend these two lovely Ladies enough. As you see we had the most terrific time together.

Before leaving Sacha showed me a very skimpy Santa Claus outfit that she has bought for Christmas. You can believe in fairies if you like, but the only two Santa's going down on my Chimney this Christmas are these two!
