Brooke is a tall brunette with lovely long legs, a beguiling personality, and sultry, yet "girl next door" good looks. She still has that sweet sexy fringe too!

The Story:

I'd seen her once at in a previous life in Slough, but then she disappeared and I was a bit disappointed to be honest. Then, recently I became aware of someone with the name "Brooke", working for this establishment, and when I looked at her pics on their website, it looked like the lady with whom I'd had such a wonderful time. I did some research, and indeed it seemed to be her, so decided to see her. Unfortunately I wasn't available for a couple of weeks, so I had to wait.

When I did get to see her, she remembered me, which was wonderful. We really "clicked", and I had a wonderful hour with her. It was really relaxing, and we spoke a lot as well as exploring each others' bodies. Brooke even introduced me to role play, which was a first for me, and it was great fun. (I've tried it before with other ladies but they didn't really seem to have any clue I'm afraid).

The only one thing that I would have to say I wasn't terribly happy with was that Brooke didn't seem happy to give me oral without, with my foreskin retracted. She would do it though, with my foreskin covering the head of my penis. This was a bit of a disappointment to be honest, as it is probably the most sensitive area, but I'm sure she has her reasons. I must clarify though, that I was definitely clean under there, as I always am when I punt.

Other than that it was a wonderful time, and I highly recommend her.
