The Story:

Stephanie is the first escort I have ever visited. I was uncomfortable and uneasy but managed to summon the courage to ring her doorbell. I was immediately captivated by her drop dead gorgeous English Rose looks. Sensing my nervous disposition, she greeted me with a long lingering and passionate kiss following which I enjoyed a most wonderful and enjoyable sexual experience. Stephanie really is like the girl next door with whom I've fallen in love and who has agreed to date me. My regular encounters with Stephanie have now become the highlight of my week.
