The Premises:

The establishment is above a (closed?) tattoo parlour on the High Street with the entrance around the corner. It is well populated with shoppers and business people by day. The only issue is the length of time the receptionist takes to open the door - on several occasions I have waited about 5 minutes feeling totally exposed

The Lady:

Angelina is a star; more cherubic and ravishing than her photographs suggest, she walks into the room and I immediately feel at my ease and looking forward to our time together.

The Story:

I originally arrived at 3 pm to be told that Angelina was busy, I returned at 3:25 to be told she would be available in 10 minutes so I went in.....45 minutes later I was shown into the room to await Angelina as she showers between each punt.

I have seen Angelina a number of times over the past couple of months (since Sadie left :()) and each time I leave satisfied with a smile on my face.

This lady is a star. There is nothing that I have so far suggested that this lady will not do. French Kissing, OWO, pussy licking, Rimming (both ways), Anal Play (both ways), Prostrate massage (me), Fuck (all holes, several positions). And Angelina is not a time watcher, when I came before the end of the paid time we continued kissing, cuddling and more ass and pussy licking until the maid knocked to remind us time was over.

She is getting more popular which means that I have had to wait longer for her - but its worth it. Treat her well - she deserves it.
