The Story:

Went to see Angelina but Fiona was in residence; I should have left then but as I was there I decided to go ahead. Opted for "Round the World" 1 hour, what I got couldn't be described as around the block!

I was promised French Kissing - Nope

I was promised anal play - Nope

After a rudimentary back rub Fiona went down on me and complained that I had pubic hair and she was afraid they would choke her. After a couple of minutes OWO I suggested I went down on her. Her pussy had a slightly distasteful acrid taste and odour, within a couple of minutes she decided that she had come and I couldn't continue.

When we started to fuck I was so not into it that the old boy shrivelled. So she finished me off with an oily hand wank.

Paid for 1 hour got less than 30 minutes. Not a great punt.

I have had some great experiences at this establishment - this wasn't one of them.
