The Premises:

Normall soho walkup on the 1st floor looked to be clean and tidy.

The Lady:

Lola looked attractive to me quite large tits.Dark skin and brown hair.

The Story:

Well i only had a short oily handjob as a little treat.Lola placed herself in between my legs applied some oil and started to tug away.not much was happening for me until she pulled my skin back and playing with my balls this seem to reall do the job.I asked if i could finish myself of while lola played with my balls she was happy to which made for a very happy ending.
