The Premises:

A very spacious basement flat in a smart terrace. Because you go down some iron steps to the front door, there is no lingering at the door waiting for it to be opened. As a result, it was felt safe and discreet. The room itself was very large with an ensuite shower room. Perfect.

The Lady:

Stunning, as per her photos. A very sexy and demure look. Jade is quite tall (which I like) with a firm figure to match - I tend to like slim girls and Jade was just that; not skinny, just right. Not as slim as the photos on the website (usual photoshop) but still a perfect size 10 in my mind (and hands). Very sexy.

The Story:

Jade shares the flat with others (Adriana of the same agency answered the door, I think), but I didn't mind that - good looking girls! After formalities, I was offered a shower, which I took. I walked back in to the bedroom whereupon Jade came straight over to me for a snog. Lovely. After a fair amount of kissing, touching and fondling, Jade crouched down for some very good OWO. I had to stop her after a short while (it was getting too good) and on to the bed for a bit of RO. Jade made all the right noises, but didn't seem to be that enthusiastic (my poor technique, probably). Then on with the cover and a spot of cowgirl - a bit rough, if I am honest. I am not sure if this was because it was a tight fit, but we changed to mish and that was going to finish me off. I asked for COB, but that was politely refused, so finished in mish. After cleaning up, we chatted for a while, which was very easy, but it was obvious that seconds were not going to be offered. After 45 mins, I made my excuses, showered and left. I enjoyed the punt - after all, Jade is a very good looking girl indeed - but it was not as good as other GFE punts I have had. Because she is so attractive, I would recommend but probably won't go back myself (I see she has recently disappeared from various sites, so I am not sure I would be able to return anyway).
