### The Premises:

A plush apartment in Knightsbridge - a very safe area.

### The Lady:

This was a duo booking of Stella and Olivia from the above site.

Stella is 5ft 7ins and a voluptuous D+ cup. Olivia is 5ft 4ins and a slim C-cup. Both ladies are blonde. Stella is Latvian and Olivia very well-spoken English.

### The Story:

I have booked the lovely Stella before (as an independent) and asked her to choose another lady for a duo booking as a surprise for me. I have noted above the details of an agency through which they may be booked. The meeting was at Stella's usual premises. When the door was opened I was greeted by Olivia in an elegant dress. Although I had previously noticed her portfolio from the Agency site I was rather taken aback by how much prettier Olivia is than her portfolio suggests. We sat down for proper introductions, having opened a bottle of fizz which I had taken with me and were soon getting on really well. Stella invited me to shower, as usual, so we moved to the bedroom ready for my emergence, clad in a towel. Stella wasted no time in removing that before getting me ready for action on the huge bed. This was my first experience of a duo and the combination of choice of what to do with my hands, whilst experiencing the sensory overload of Olivia mostly working on my top half while Stella was using her famous skills down below was pretty mind-blowing. While I was recovering my mind we supped fizz and I enjoyed the pleasure of having a lovely lady in each arm and wondering which one to kiss next. Stella has an exotic Latvian / Finnish accent and Olivia cultured English diction. Stella then introduced Olivia to "Lulu Rabbit" and I played my part in persuading Olivia to "shout". Eventually, we moved on to round two for me, with Olivia often whispering sweet naughties into my ear and Stella doing her best to distract me from Olivia's attentions. There was no clock-watching by the ladies and I was the one who said that I had to leave, well spent, although relaxed and high on a wonderful experience. I will save some pennies for an encore as a birthday present for me, as well as continuing to meet Stella. By the way, Olivia is now entertaining at the same Knightsbridge address as Stella.
