The Lady:

Carmel is a simply stunning lady. As close to perfect as you are likely to find. She is slim, has a gorgeous figure, and beautiful olive tanned skin. Her eyes are very "come to bed" and her whole demeanour is very seductive.

The Story:

I have visited Carmel many times. Trust me, the couple of negative comments on here can safely be discounted. You should note that she is a Domme by nature and if you are prepared to allow her to enjoy herself, you will enjoy yourself all the more. She is extremely good at what she does, she will cuff, whip, burn, tease, and do things I am too polite to even mention.....and you should love it. Book as long an appointment as you can, lie back (or kneel on all fours) and enjoy!
