Not unattractive but not as billed either.

The Story:

You know how it is, by the time you're there it's hard to back out. Ingrid isn't the sort of woman I'd normally choose to punt with but that being said, she did provide a very good service. Nice back rub and fondle of the balls, turned over & offered OWO for ?10 extra. OW was pretty good - not deep but OK. She then got on board in cowgirl and I have to say she felt really good. So good that I didn't last long!

For ?40 you could do a lot worse but then again, there's plenty out there that are a whole lot better.
