The Story:

Monica greeted me at the door wearing a nice short skirt and open top blouse. We had a little kiss and I quickly had a shower. When I reentered the room again she was lying on the bed and beckoned me over. We chatted for a little bit until she started to sexily strip. I did the same and she was soon giving me some nice owo, which was fantastic. she took her time and she got me so sexually excited.

I then returned the favor with licking her clit and after a while we were in doggie style position. She was quite tight and it felt good so I stayed in that position until I came. After a few minutes or so she started to give me a massage, playing with my cock, which really got me going. I started fingering her clit at the same time.

we were both aroused again and suddenly she got on top of me and then started to rub her breasts up and down over my cock. She then put my cock inside her to finish me off which was fantastic and one of the best fucks i have had in ages.

We spent the rest of the time talking, she asked me twice if I wanted more sex, and if I wanted anything to just ask. I would recommend the lady to anyone.
