### The Premises:

The apartment was easy to find on a main road in a block of apartments, set back from the street. The apartment was very clean, tidy and welcoming. The bedroom is best described as a boudoir, Miss Maxine has designed the room well

### The Lady:

Miss Maxine is gorgeous, darkhair with 32FF breasts. Her figure is perfectly formed, medium height and beautiful soft skin. She was dressed in a black outfit with PVC stockings which made her look her look very desirable

### The Story:

I have seen Miss Maxine many, many times, we always have fun times . Treats you like her boy friend. I wish!!!! She also remembers all my likes and we have an excellent experience . Miss Maxine striped and I was pushed on to a chair. She stood infront of me, danced a little in her high heels, turned away from me and bent down from the waist. This gave me a beautiful view of her derriere and quim. She then ran a finger down the crack of her derriere and over her quim. Inserting the finger inside and offered it to me to lick. She then instructed me to lick her. First her derriere then along her labia. Maxine then turned, knelt between my legs and took me in her mouth, it was heaven. Stopping short of making me cum. She knows me to well. I got on the bed and I motioned her to swing a leg over to get some pussy licking going in a 69. This was very good and she made appreciative noises.

I still had a pussy to lick and suck on and worked hard on my muff diving skills. The 69 went on for a good long time, around 10 to 15 minutes maybe longer in total. She came with a shuddering climax and pleas to me not to stop. As we moved on to the main event, Miss Maxine?s lovely fun personality really came into its own. She?s full of fun and has a good sense of humour.

She got herself onto all fours and I entered her in doggy (my favourite position). Her arse in this position is a most beautiful sight. I just didn?t realise or had forgotten how tight she was. I penetrated Maxine entered and could feel a really good sensation. I started off slow and then worked up a good rhythm. She seems to really like this. I worked hard to hold back and kept pounding. We would have sex in a number of different positions usually finishing with doggy (she likes cowgirl and can she ride) but it was working so well today, I didn't want to break off! After 5-8

minutes or so of pounding we stopped. Maxine knelt before me wanking me, after covering me with oil, I pulled her to her feet and poured oil over her beautiful body. She was glistening in the seductive glow. She knelt down and continued wanking me, I shot my load all over her neck and tits, she smiled and massaged my juices into her orbs. I would be more than happy to do all the work any day for a result like that.

To finish off, I gave her a massage, and finally we finished with a deep mutual stroking session. In summary wonderful time, with a lovely bubbly girl who clearly enjoys her job.

What makes this brief encounter special is Maxine's attentiveness and the physicality of our meeting intermingled affectionate kisses and then our amorous adventure quickly turns into a full scale thriller.
