The Story:

very friendly young lady, she sat on the edge of the bed and called me over, i presented my cock to her expecting a condom to get rolled over, but to my surprise she just wrapped her warm lips around it bareback, almost shot my load there and then! had to slow her down a bit and after a while she asked if i wanted sex but i decided to carry on with the blowjob if she was ok, she happily carried on sucking and licking my cock until i was ready to cum. told her i was ready to shoot, pulled out of her mouth but she pulled it back in, just to be sure i said is it ok to cum in her mouth and she nodded yes, so what could i do.

so there i was in a soho walk up getting OWO and CIM , i filled her mouth with spunk and like a trooper she sucked until i was dry.

hope she stays here for while, cos i will be going back every week !
