The Premises:

Terraced house just south of MKCentre, very clean and fragrant!

The Lady:

Rosalie is a gorgeous bright young irish girl, she has long dark hair, smooth alabaster skin and deep green eyes, my favourite look! Her soft irish brogue only added to her appeal.

Her body is smooth & slim but curvy in the right places, superb natural DD boobs with large pink areolae, just perfect! Down below she sported a dark trimmed landing strip which extended down either side of her very inviting slit!

Rosalie was a demure, but charming, appreciative and witty companion from beginning to end.

The Story:

Rosalie was tall enough in her heels for our lips to meet perfectly, so that's where we started, her kisses are so sweet & passionate, we caressed & explored each other's bodies with our lips & hands. We were soon feeling ready to recline and take it further.

On the bed we kissed some more and I worked my way down with my lips to her soft globes and beyond until I found her honeypot. She responded appreciatively to my gentle exploring attentions, getting very worked up as I increased the rhythm on her rose-bud. She reciprocated with a nice covered blowjob, but we both wanted more, so she laid back and allowed me full congress, she wasn't shy about fulfilling her own pleasure and polished her pearl as I thrust deep. Her quivering, breathy climax soon arrived. She let me continue sliding in and out slowly as she enjoyed her afterglow, but with only 5 minutes left I ran out of time, I'll certainly spend a bit longer next time!

Welcoming, sexy, beautiful, responsive, 100% recommended!
