The Premises:

nice modernish ground floor flat in small block opposite central shopping area. loads of parking, 30p per hour till 6.

The Lady:

the pictures and new mini video of elise on the web site do not do this lady any justice. tall, blonde, blue eyes, staggeringly beautiful smile, slim but shapely, and nice natural hand size tits.

The Story:

i arrived slightly early and all rooms were busy, 15 min wait. no problem, wanted a shower anyway. came out and still no room so went into kitchen to wait. elise was tucked up on the sofa with her knees under her chin, looked very petite and flashed that million dollar smile, brief chat and joke, room ready. weyhey!!! i went in and a minute later elise came in. couldn't believe she was as tall as she was. she put her purse on the bedside table, turned and started kissing like lovers who hadn't seen each other for a month. she is warm, friendly, seems to enjoy her job and certainly gave the best punt i've ever had. Baby, i will return
