My 5 star hotel

The Lady:

Honey brown long hair- hidden on arrival, it goes half way down her gorgeous back, 5ft 5 but looks taller. that amazing bust, and curvaceous body. Her agency had forgotten to pass on the stockings request, but by co-incidence was wear black pull up stockings. On dvd she appears quite remote and serious but in person is a laughing, giggling, cuddly adorable girl, extremely bright and well adjusted, blase' about her fame, and enjoying her life, loving sex, travel, and meeting interesting people.

The Story:

My stunning girlfriend offered me an Xmas present of my choice! My first lady was not available but the agency (Park Lane) recommended Rita. It was on when she walked in I realised she was The Rita, top Hungarian porn star, now retired and doing occasional escorting.

What a little cutie. Very bi, she ad my girlfriend hit it off you could see the lust in their eyes as they undressed and jumped on each other!

Rita is the supreme escort, very funny with some amazing stories and experiences. She knows exactly how to time your and her orgasm, and no request was refused. In fact she stayed half an hour longer and had to go for another booking, but thanked us for the fun she had had! We have met for lunch as friends, and I regard Rita the best fie star lady ,and the only one I would pay that hourly
