The Premises:

Scorpio strikes five stars every time for cleanliness and efficiency. Good showers. A welcome from Charlie (that felt all the warmer given the welcome absence of Ian the boss).

The Lady:

Chloe is 22, tall, dark-haired, slim, beautiful firm figure. Beautifully sculpted head, with string hair and fine teeth. Definitely a looker. Public school educated, intelligent. This is a cerebral girl, so if you're looking for a straightforward shag, you could be disappointed. Comes across as shy and giggly.

The Story:

I'd been tipped in advance that Chloe could come across as shy - and so she does. But she's also very physical. She and I hit it off, and enjoyed each other, with Chloe being more submissive than dominant (I'd guess that she prefers being submissive).

Started off by my licking her towards orgasm, and completing this by having her kneel across me, tits and nipples tongued by me, while I reached round the back with one hand and stimulated her clit with my fingers. This is one lady who certainly knows how to achieve orgasm.

We played about and talked for a bit, enjoyed some OWO, then mounted each other in various positions before at her request (and my choice), we finished in doggy - and to our delight, both coming together.

Smashing girl - great time together.
