The Premises:

Smart bedsit in Chelsea. A big apartment complex, well known for escorts.

The Lady:

Very pretty and slender young woman. I was delighted when she opened the door. She told me she was Chinese but the website says Japanese, so I don't know what's going on there. Lovely smile.

The Story:

I was overdue a little luck. I'd booked with an agency to see a willowy Japanese babe earlier in the day but what I was confronted with was a middle-aged troll in a school outfit. Guess what? I left. When I tried Jessie's number and she answered I knew just from the sound of her voice that I was onto a good thing.

Jessie's a lovely hostess and sex-wise I'd say I achieved a new personal best: I counted six changes of position before climax. Her's is a body worth cherishing. On the debit side, she doesn't kiss or do anything PSE. (not that the latter worried me). Afterwards we chatted and she fed me apricots and grapes. There was even time for a second massage.

A GFE with Jessie is time well spent.
