The Story:

This is the fifth time I've met Camilla and there would have been loads more, however. I booked an hour once before and found myself out on the pavement and cheesed off before time was up, so I checked the time as I got out of the car went in greeted in a most lovely fashion had a shower and into the room where I recieved the best oral I've ever had, returned the favour and then it was suggested time was running out, this is 40 mins after I've got out of the car! Long story short I have to go, under a cloud and the hour that I booked and paid for elapsed when I was 6 miles away from the flat on the M62 including two showers. I cannot say a bad thing about Camilla, she's the best girl I've ever seen in 15 years of punting but I won't see her at C I, I stopped Sandys because of the clock watching and now I'm not going to see the fabulous Camilla because of it and I'm absolutely gutted
