The Story:

This for me was a wonderful experience. Trisha is a special talent. She is welcoming, puts you at ease quickly and is an easy person to talk to.

Sex with Trisha was fantastic. If oral sex was an Olympic sport Trisha would win gold. Her unrestrained enthusiasm throughout our time together was incredible. To say our session went without incident would be wrong. About two thirds into it, a doorbell rang. Trisha answered it and told me she would have to let the postman in! I inwardly panicked. I hadn't expected witnesses. However the postman was only admitted to the building and not Trisha's apartment. Trisha was quickly back at her post and not long after the postman came, so did I.

A cherry on the cake was that Trisha allowed me to take some pictures of our time together and I got some super images. Not all came out as clear as I would have wanted and I shall just have to go back and try again....and again....
