The Premises:

Nice good size tenement flat in southside. Well decorated and tidy

The Lady:

Medium height and the most delicious proportions you can imagine. Pert C cup breasts and tight bum. Not an ounce of surplus anywhere

The Story:

If you wanted to find an escort to bankrupt you it would be Rosealie. Body to worship and slight eastern european look about her.

Seen Rosealie several times and the first time we met she began by asking me detailed questions about what I like. Seemed weird at the time as it felt more like a survey, but she never missed anything and combined the whole lot into a girlfriend experience.

If we were both single I wouldn't waste time in pursuing her, but alas....

As for performance, which seems crude to consider, but that is why we have reviews. O is without, everything else as it should be is with. She is tender and erotic and you will want to cum sooner than you would have before you entered the house. Don't fear though as you will still be turned on enough for round two as she never spills a drop.

Highly recommend.
