## The Premises:

Smart flat in a very nice area of Knightsbridge. Roomy and clean.

## The Lady:

The pictures are old and or photoshopped. She is very average looking, and needs to loose a few pounds around her waist.

## The Story:

I probably should have left when I got there, but she seemed nice and I continued with the booking. She does Kiss with tongue, but not well. Her OWO is pretty average, and no CIM She is a pleasant young lady. But over priced for average looks and average service.
