The Premises:

Small flat in Chelsea. Clean.

The Lady:

Has a larger waist than the photoshopped pictures show. Could definitely lose a few pounds.

The Story:

She was quite a crazy girl. Time wasted from the start, but I dont think she was doing it on purpose.

Kept playing with her phone. When it came to OWO, lots of baby wipes. I could hardly keep it up.

Very bad kisser.

I left well before my hour was up. Waste of cash.
