The Premises:

A very pleasant semi in a safe and central area of Luton. The house was clean, the bedroom very well decorated, and the whole house felt friendly.

The Lady:

Both girls are slim and petite - the ages of 25 and 20 seem absolutely accurate. They are both very attractive in a girl-next-door way, if that doesn't sound patronising. The pictures on the other website are not flattering at all.

The Story:

I was hoping that I would get a real Lesbian performance, and they didn't disappoint - nothing about them or the experience was at all tacky. They seemed really engaged with each other, but included me in enthusiastically (which took some acting skills!). Both French kissed deeply, and allowed access to their bodies generously and naturally. As I expected I became too excited too soon, and couldn't really keep going for long, but they made me feel comfortable and welcome, and there was no sense of hurry or pressure. I had a shower afterwards.

I honestly found both girls really friendly and open, and would happily spend time with them and recommend them to anyone who likes slim young girls. They are charming, and they deserve to be treated with respect.
