The Premises:

Beautiful flat 5 mins form the city centre. Parking available and discreet.

The Lady:

Tall, exotic (possibly Italian or South American mix in there)perfect body, beautiful face, eyes and smile and the most striking high cheekbones I have ever seen. Burlesque style lingerie was worn under a pretty dress.

The Story:

I could write a novel here about this experience, but I suspect you would all fall asleep.

I will keep it simple and say tat in all my 25 years of punting, Rosalie is by far the best encounter I have ever had.

There is not a man in the world that would not enjoy an hour with her, and although I like to sample women everywhere, I think iv'e found my new regular girl.
