The Lady:

Amy is simply a "sex kitten" to use her own words. In the flesh she is a very fit perfectly proportioned lady whose personality & charm is something a little bit special! In short a home grown talent worthy of mention.

The Story:

I am not often provoked into writing FR's but in this case following two visits in three days I think it only fair. My time with Amy was effortless and extremely sensual. She is a lady who seems to know exactly how to give a guy a very sexy interlude without any reservations. The best GFE experience I have enjoyed for many years now & I feel warrants comparison with the infamous "Lisa of Oasis" of whom some of you may remember. If you do I think this may be another Lisa in the making!
