The Premises:

A hotel in a quiet street near Earls Court Tube. The area felt safe.

The room had just been serviced, was clean and about medium in size with a nice bathroom.

The Lady:

About 30 years old, tanned, with several tattoos. Megan is about 5ft 6ins without her heels, has large (enhanced) breasts and is a brunette with an extremely pretty face.

The Story:

Megan greeted me in Louboutins, fishnet stockings, underwear and some sort of mesh creation which left little to the imagination. Megan could not have been more welcoming or thoughtful in offering me wine and the opportunity to shower, which I gratefully accepted. She even got the shower running for me. I had booked Megan in the expectation of being introduced to her domme side, which is what happened pretty soon after Megan removed my towel and asked what I was looking for. I had a perfect induction to her mischievous ways of ?tie and tease? before being released for wine, cuddles, jokes and general chat. This lady is hot, hot, hot. Megan provided me with a relaxing massage before then showing me her ?fluffy side.? Imagine if you will a combination of a sexy, horny, girlfriend with genuine care for my enjoyment and you might get some sort of impression of the experience. What I also want to share with readers of this review is how sweet and kind Megan is. Please, have no doubts that Megan can provide a funny, perfect GFE or PSE if that is what one is looking for. She can also play the part of a non-sadistic domme with humour if that is what one is looking for.
