The Premises:

Easy to find, in Hub building opposite Sainsburys, directions were fine, but could see how people have gone wrong. Immaculate in every way, felt safe as it's in a block with many floors and doors.

The Lady:

Early to mid 20's I reckon, very pretty and a figure to match, just what I was looking for although I was taking pot-luck with this establishment. Rang after seeing brief ad in local paper.

The Story:

Asked by maid to sit on bed and wait, was told on phone that there were 3 girls working so, having been disappointed on many other occasions elsewhere, was delighted when Helen entered. If there had been a line-up I'd probably have picked her! Very pretty, lovely slim figure and very,very pleasant company. She started with with DFK and then got me undressed, asked me what I liked while continuing to kiss me. I explained I wasn't the performer I used to be (I'm over 60 now!) and would just prefer oral. She was wonderful and looked me in the eyes when she did it, with style! Wonderful use of her tongue during really deep, deep action. Have never posted before, but felt I had to after reading a poor report just now. Will definitely return for more of the same. Money for this type of activity is hard for me to find, so I don't like to take chances, but this one paid off. The photos on the website aren't nearly as good as Helen is in the flesh, and what lovely flesh!
