The Premises:

As previously stated well maintained establishment. An industrial area but perfectly safe.

The Lady:

Short 5.1 blond early 20s Very bubbly which I like as opposed to a statue. Lovely breasts and a beautiful pussy.

The Story:

Began with a light massage and Scarlett paying attention to my balls with her lovely tongue. After a while I began licking her which she really enjoyed and very clearly showed it which always turns me on. Then we rested, chatted and gently stroked each other before I decided she needed second helpings and was she glad. All in all a beautiful experience. She has only been here 6 weeks and only works on a Monday.
