The Lady:

Mixed race Black girl, 5'7" ish fantastic tits, big nipples, good body.

The Story:

The punt started well and we agreed a price of OWTC but she soon started to ask if I wanted I wanted her to make me spunk, I don't like to be rushed.

That having been said she was a good shag and she was a nice girl. I suppose that the thing that pissed me off was the cum in mouth, she didn't take it all and could have made more of an effort.

If you advertise a service, it should be provided, if you don't want/like doing it, don't take the money for it.

As it is I really like this place and will be returning as the other girls are excellent. I did Jasmine not so long ago and she was amazing. Parlours excellent but this girl is worth avoiding.
