### The Premises:

She was house/flat sitting very clean with private parking. Very safe at back of the Pleasure Beach.

### The Lady:

BBW still in good nick no hanging jowls or sacks of fat.

### The Story:

Met her before but she has been away for quite a while literally all orifices are available as long as you are reasonable and don't apply pressure or be hurtfull in any way.

Good Value for money not a clock watcher I was there well over my time and she appeared to have enjoyed her self as well. Going back this week to give myself a Christmas treat.
