The Premises:

Director?s lodge is a much known establishment clean, safe and tidy just off the M1 J28, with ample on street parking outside.

The Lady:

Appearance wise Lisa is a lovely short haired brunette, busty, slim and great looking much as described and as in her pictures on the DL website. What that can?t convey is what a friendly, polite, and quality lady she is, really an excellent person all round.

The Story:

I phoned ahead and a very friendly and helpful receptionist answered all my queries and made me a super coffee after I arrived while I waited for Lisa. After a shower I was shown into the action room and Lisa joined me. After a chat about services we started with a gentle fingertip massage on me that led on to me offering to massage her to which she readily agreed.

This then led on to (after I checked she was cool with it!) me rimming her lovely bum, then on into a 69 with great mutual oral, followed by (with a condom in place) forward cowgirl with much bumping and grinding while at the same time she used her vibrator around my balls and arse to bring on a very intense orgasm (WOW! Thank you Lisa!).

We then had a chat and a clean up during which she removed the condom pampered me and cleaned me up during the post climax utopia (a really nice touch!).

Then after a very friendly chat as we dressed (during which I never felt rushed) I took my leave with Lisa sending me on my way with a kiss, a chocolate sweet and my post punt grin glowing from ear to ear!

So a quick sum up, good establishment, great lady, fantastic service.
