### The Premises:

Nice area, ok if plain room and good shower.

### The Lady:

Tall-ish well toned, slim and foxy Brazilian girl. Nice enhanced tanned figure. Very attractive package.

### The Story:

I generally only write these if its very good or bad. This girl is fabulous. Nice warm personality, hot hot body, lovely face and she gives full on passionate action. I like PSE and this was great. No big kissing and O was covered but apart from that the sparks just flew. Really top marks for involvement. Notably her A service is absolutely superb, one of the very best Ive encountered. Gave me a filthy look in the eye and made me push it ALL the way in before I was allowed to start fucking. And she was happy taking it hard in either hole. Awesome. Its quite possible she will do GFE but for action and PSE it doesnt come better. Great girl.
