The Premises:

Quite residential area in a large block of flats with security button access. Just call her when you arrive and she will give you the flat number. Clean, tidy and you feel secure.

The Lady:

In her boots tall brunette standing 6ft, asked her to wear a pvc outfit for the occasion which she looked amazing in when she opened the door, long hair, amazing bum, shaved lady bits, firm boobs and great conversation.

The Story:

I booked a splashing session with Sophia. You never really know what your gonna get with these as different ladies have different ideas and rules e.t.c so I was a little nervous but took the risk anyway. I had communicated with Sophia several times about what I wanted, the biggest issue was how to keep the flat clean so I invested in a inflatable Touch? Body Slide Play Mat for ?30. Excellent investmet it inflates in about 5 mins with a small pump, fits nicely over the top of a double bed and any mess stays safely inside the inflatable sides

We both got naked Sophia poured in a 2kg bag of chocolate sauce then we both climbed in. Within minutes we were both covered in chocolate sauce french kissing, wanking and licking each other, I got her to go onto all 4's and proceeded to pour loads of custard all over her, what followed was loads of pussy licking, blow jobs, hand jobs, titwanks french kissing and generally lots of fun and games. I finished shooting my load into her mouth which she swallowed and loved as it tasted of chocolate lol

Clean up was relatively easy, we showered together and cleaned each other off then she sprayed the play matt off in the shower and we both deflated it. Sophia said that it was some of the best fun she has had in ages and cant wait to do it again, she mentioned that some of the ladies that work for here would definatly be up for the same and I cant wait to do it again but with 2 ladies this time lol. She will also let you take photos at an extra cost

Amazing lady, amazing time cant fault her in anyway, if its a messy custard and chocolate body to body massage you want (Instead of Nuru), with GFE thrown in then she is your lady
