The Premises:

House of Divine is well known for being a subtle, classy location.

The Lady:

I'm going to buck the trend here and say she is not 'a stunner'. She had a nice personality, but the phrase 'common as muck' comes to mind.

The Story:

Was really looking forward to the deep kisses, but her smoker's breath somewhat revolted me. We tried a few things, but oral was really all that kept me going - but her technique was somewhat wanting. I finally did manage to cum, but it was by imagining other women, not Rebecca.
