The Premises:

Small flat near Wimbledon main line station, off the haydons road in a quiet residential road. I was shown straight to the bedroom, which was basic and looked like it needed a good clean.

The Lady:

The pictures on the website show the body only, which i can say may be correct. But the face was not pretty to look at, and age i would guess at 35 - 40. There was no effort on make up or hair , she looked like she just woke up. Also what really annoyed me was stubble on her pussy and armpits, come on make an effort girl. If thats not enough she smelt of b.o and her breath was rank. Im not fussy but when charging 150 i expect a bit more than this.

The Story:

As far as service goes, it was the quickest 2 rounds i could do!, i was out in half an hour. she tried her best all positions and general kissing all over, but the above just got me well off the mood. Sorry Ria you need to up your game a bit!
