The Story:

After reading Azira's report I felt the need to see her for myself. I have a soft spot for Indian beauties and Indian Palace seem to have a good few. Not an ounce of fat on her. Early twenties. A petite girl with a slim, toned body and nice small, pert breasts. A young fresh face and flawless skin. She was so loving and gentle with great techniques. For such a young girl, I found her very experienced and attentive. I felt she made love to me and I was not just another customer to her. She seems to enjoy what she does with no faking involved. There is no other way to put it, I finished on a dramatic high. Azira was one of my best punts of 2011, she gave me a fantastic service. I would love to keep her all to myself and not tell, but such a thing is not possible (sigh!)
