### The Premises:

A particularly spacious, clean, apartment in a very upmarket Knightsbridge street, therefore very safe. UKSugarbabes were very patient with me in arranging the meeting, since Tania was unavailable on my first choice of day and I had to plan to meet her one day later. And yes, I am very glad that I did.

### The Lady:

Tania is tall, of C/D cup size, with extremely excitable nipples and has legs that go on for ever. She has an athletic build consistent with her former hobby of playing basketball. However, I kept being drawn back to her face, which just lights up with true beauty when she smiles.

### The Story:

Just as I was booking Tania, I saw a forum message from a lady from another agency who remembered Tania as 'naughty, naughty, very naughty.' The lady was absolutely right. Tania greeted me wearing a dress, as I had requested. Once we had made our introductions I was asked for my wish list, which resulted in the script from Tania of: 'I am going to tie, tease and abuse you a little, then take you to my bed for my pleasure.' During this discussion the dress was discarded to reveal underwear which we agreed might shock both of our grandmothers, framing her lovely figure. Then, while I took advantage of a shower in an excellent bathroom Tania changed into thigh boots and a short, PVC dress. She proceeded to follow her script in a very imaginative way, right up to the taking me to her bed part. I can assure readers that the resulting pleasure was entirely mutual and memorably prolonged. After I had used her shower again we spent time talking, drinking, kissing and cuddling. We ran into overtime, without any feeling of being rushed. This encounter was my idea of what escort heaven should be like.
