The Lady:

Extremely attractive lady,early 20's at a guess. She was wearing a really sexy white lingerie. She was stunning to look at!

The Story:

Megan welcomed me in and asked me to undress and lay on the massage table.The "treatment" I received from her can only be described as an amazingly erotic mix of relaxation and tickling!When she asked me to turn over,she massaged my back then my legs and tummy,moving slowly on to my hard cock and balls,after some more teasing she started sucking my cock.The blowjob was amazing,she started really slow and when she could sense my excitement she got steadily faster and faster until I exploded!
