The Story:

Having been the amazing boyfriend that I am, my girlfriend decided that I deserved a threesome. So we called up Hamilton's and Dani came over. She is definitely one of the hottest women I have ever seen; petite, toned with a nice big (fake) pair. She turned up about half an hour late, which wasn't the best of starts. After a glass of Champagne, we started the kissing, first me, then the missus, then both at once. And it went from there. She did anything we asked, and did it with passion. I loved her little squeals of delight as I threw her around the bed changing positions.

Her body is so tight that she's great in any position and she can certainly suck cock (and apparently lick pussy, but that didn't concern me as much).

All in all a great escort. Hot and keen. I'd book her again (maybe just for myself next time).
