The Premises:

Cheap and easy parking available on the street. The place itself is safe and secure, clean inside with a basic shower which is a bit small for 2 people to get in for a shared shower.

The Lady:

Scarlett is a gorgeous girl with long blonde hair, very beautiful and most of all a great personality and sense of humour who does her best to please.

The Story:

Scarlett came in wearing a stunning white bra and panty set and we soon began kissing, caressing and undressing each other before moving onto the bed to continue our long French kissing session. Scarlett then went down to give me a blowjob with plenty of licking of the shaft and balls. I then asked her to fuck me, so on with the condom and she climbed on top of my cock to slowly and gently ride me, before speeding up until I cummed in her pussy. Her pussy was nice and tight and felt great.

We then lay down chatting to an intelligent girl that can hold a conversation and also loves to snog passionately. She then gave me a massage with plenty of strokes all over my body after which I asked her to lie down as it was her turn. So I began to kiss her boobs and suck her tiny little nipples which soon started to get hard. What then followed was a long session of me eating her tasty and tiny little pussy.

Scarlett then said she wanted to suck my cock, so began giving me a longer blowjob, whilst licking and gently sucking on my balls too. By now we both wanted to fuck, so into missionary where we began to kiss and fuck each other, followed by more sex in doggy and cowgirl with a girl who knows how to ride my cock well.

Overall Scarlett provides an excellent GFE with plenty of passionate kisses so highly recommended. If only she was really my girlfriend. I will be returning to see her again soon.
