### The Story:

Was taken into the lounge area and was introduced to both ladies working (Chloe & Chelsea) chose chloe and was taken upstairs and was asked if i wanted a shower. I had just finished in the shower when chloe came in. We both lay on the bed and she started to massage me which was a good ice breaker. I rolled over and she started to work her magic. Wont go into much detail but Wow! She was fantastic. Will definately return
