### The Premises:

Clean private house, not overlooked no twitching curtains or lurking pensioners.

### The Lady:

Blond early 20's slim an very attractive-sort of girl you might fancy in a club or pub but never dream of chatting up. Firm up top (prob C or D cup) and smooth down below with a neat landing strip- cute belly piercing no tats.

### The Story:

Long contract at the airport so planned a treat when it was finished. Got an appointment with a few hours notice and called just before for full address - easy to find not far off M1. Paid for the hour plus extra for OWO - CIM not on the menu :( shame . Very attractive, just my type with a lean fit body but decent bust. Great owo (better than a Dyson) and had to concentrate not to arrive to soon. Had full service in all positions - her moaning in cowgirl sounded genuine (but im not flattering myself), shot my load twice with a short interlude between and left.
