The Premises:

clean place, supposedly luxurious and upto date (didnt seem like that to me) felt safe and discreet entrance

The Lady:

slim petite italian lady very nice to look at, small boobs, nice round bum.

The Story:

sadly first impressions were not borne out by the experience, Danni did not speak very good english at all, the whole experience was very mechanical and when i asked for extra's she didnt know what i was talking about.

this has put me off visiting here again if this is the level service you are going to receive, none of the girls on the website appear to be there and seems to me like they use those to draw punters in.

all in all a very poor experience and one I wont be repeating.
